Hi Simon,

I have now had the opportunity to check the application via the portal. All of the information submitted as part of the application has now been uploaded, including the document sent via WeTransfer.

Many thanks
Sam

Hi Sam,

I did previously forward the link to our Validation team so would assume that they downloaded the files. Can you check what is on the website files for Y/58/21/DOC and advise if anything is missing. I am unable to do this without first getting IT to access the link.

Kind Regards

Hi Simon,

Hope you are well.

Given the Discharge of Condition application under reference Y/58/21/DOC has now been validated, I wanted to ensure you have been able to access the WeTransfer link for the Condition 11 (Site Investigation) information. The previous link is due to expire tomorrow and for ease of access, please find a new link containing the same document.

My colleague Kate Little has informed me you had previously used Microsoft Teams to access additional application files, I can upload via this platform should it be easier.

Kind regards
Sam
