Engineers Comments Regarding Surface Water Drainage

Due to the scale and type of application (no increase in impermeable area) we have no conditions to request. Any alterations to surface water drainage must be designed and constructed in accordance with Building Regulations.

Kind regards,

Sarah Burrow
Engineering Assistant, Engineering Services

This application has been identified as CIL Liable. Therefore please be aware that, in accordance with Appendix 2 of the Arun CIL Charging Schedule, your consultation response should only include requests for Section 106 for onsite mitigation, Pagham Harbour Management Contributions (if applicable) or Affordable Housing. "Off" Site mitigation measures directly related to this development should be dealt with by condition if possible to ensure the scaling back of Section 106 if possible. CIL contributions will be used for "off" site infrastructure mitigation schemes. Therefore if this proposal triggers the need for "off" site mitigation, please ensure that you engage in the CIL Infrastructure List Consultation process upon receipt of a consultation letter.
