Hi Matt,

That's fine – not a problem. I will get this changed on the system.

Kind Regards

Simon,

I have just come off the phone to my client, who has recently come to an agreement with a developer to purchase the site. The developer would like to make some amendments to the wording of the S.106 before it is signed, I am told these are minor changes which they can make quite quickly.

Unfortunately, this means we require more time to resolve this and agree any changes with you. Can we, again, move the decision date until the 31st May 2018?

Hopefully this will be the last time!

Kind regards,

Matt Allsopp
