Simon,

The developer buying the site needs slightly longer to make some minor changes to the access, this will not affect the scheme at all but will make it more deliverable.

They seem confident that these changes should be done in a couple weeks – therefore can we, hopefully for the last time, extend the decision deadline to the 30th June? We will aim to get the changes to you sooner.

We appreciate your patients with this.

Kind regards,

Matt Allsopp
