Dear Emma,

I am afraid that I cannot re run the decision notice. However, I am able to run an office report which you can copy the conditions from.

Kind Regards

Morning Simon,

Would you please be able to send the planning approval document as an editable file, either PDF or word?

The document online appears to be a scanned PDF and will not allow me to select the text. I would like to format the conditions into a tracking document for our own use and an editable document would be a great help.

Thank you

Kind regards
