

21,Downview Road, Yapton, Nr.Arundel, West Sussex

Mr & Mrs G.Fish

Discharge of Planning Condition Application (Y/3/17/HH)

The intention is to discharge the stormwater from the new extension on the rear elevation to a new soakaway situated in the rear garden (1.5 Cubic metre capacity constructed in plastic soakaway crates)

The stomwater from the front elevation is to discharge via a downpipe & connected into the existing downpipe on the side of the property.
