Kind Regards

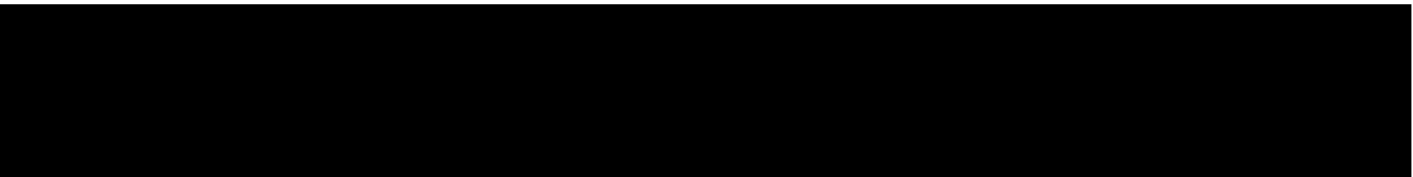

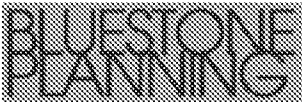

Hello Simon,

The amended plan as you requested and the area has been calculated 0.19ha.

I am still trying to get to the bottom of where we are going with the drainage since the change of guard at the Council but will let you know as soon as I hear back from our drainage specialist.

Kind regards

Rebecca

Hi Rebecca,

When you provide the revised location plan, can you also give me the revised site area in hectares. Thanks

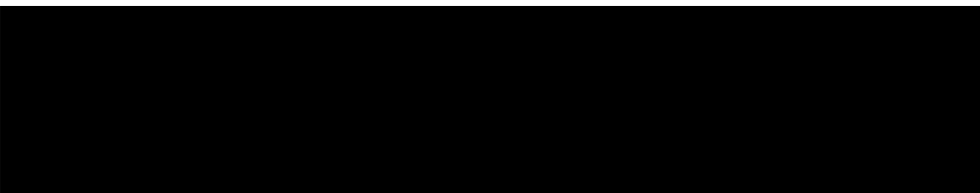

Kind Regards

I'll get that sorted for you asap – but I fear it may be next week now.

Thanks

Rebecca

Rebecca,

Thanks. We need the red edge on the location plan changing too.

Hi Rebecca,

Just spoken with my Team Leader and he doesn't consider it necessary. However, we will require the section of northern fence that is remaining (behind the new hedge) to be labelled as max 1m high. We also consider that the front garden areas should be included within the application red edge. Please can this be actioned on this plan as well as the Location Plan. I confirm though that we will not need to reconsult on the change in the red edge.

It is absolutely necessary? I assume that is the architects 'style' and any amendment has a financial implication for the applicant.

Kind regards

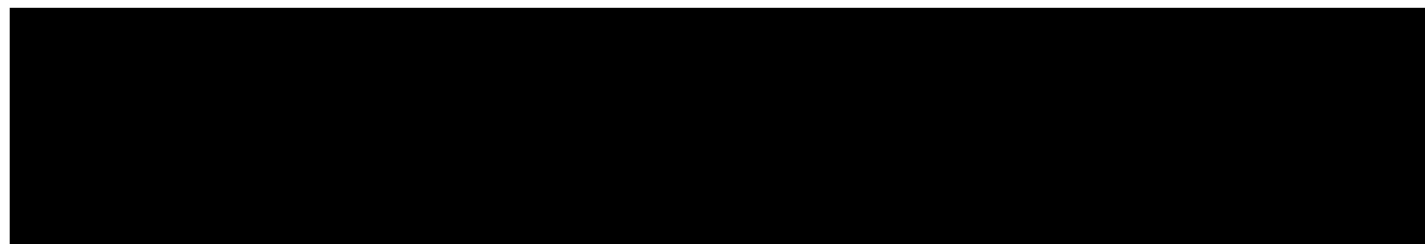

Rebecca

Hi Rebecca,

Thanks for this. However, can your architect not make the hedge clearer. It is very feint (I noticed this on the previous version too), could it be drawn in bold?

Kind Regards

Morning Simon,

Please find attached the amended landscape plan.

Kind regards

Rebecca
