Based on the above comments, it is conclude that were an application for planning permission to be submitted, it would be in a principle acceptable, subject to requirements of ALP policy D DM4 and Arun Design Guide with regards to a scale and subservience of the proposed extension to the host building.

Additional comments and corrections from Simon Davis by email 17-03-22, & 23-03-22

The comments included in the pre application advice and subsequent emails have been incorporated into the current plans so should be capable of receiving officer support.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
