Ref. Planning application: Y/ 61/22/HH, for proposed extension to The Potting Barn,
No. 5, Hobbs Court, Bilsham Rd., Yapton, West Sussex BN18 OJY.

Dear Ms Willard,

As an immediate neighbour to the above and as one who would be able to see the proposed new extension every day from the neighbouring field, I wish to fully support the application.

It will fit in with the other buildings in the area as the style and design is completely in keeping.

The proposal will also be screened from the road, and the proposed fencing is also in line with all the other properties at Hobbs Court, which are also screened from the main driveway in the same way.

Yours sincerely,

Debra Cole
