Fao Miss N Spencer

Dear Miss Spencer,

Further to your acknowledgement of the above application on the 22nd July, can I substitute two coloured streetscenes for the black and white ones submitted initially with the application please.

The existing and replacement drawings are as follows:

Existing drawing submitted to date	Replacement drawing
18076 - P104b_Proposed Street Elevations	18076 - C102 (Coloured Street Elevations)
18076 - P105b_Proposed Street Elevations	18076 - C103 (Coloured Street Elevations)

The new coloured streetscenes are attached; can they be included as part of the application please and could the existing black and white ones be removed.

Thank you – if there are any problems please let me know.
