Hi Simon,

Re the above application, can I point you to one or two issues with the drawings included on the Arun DC website for the application. These are as follows:

- The coloured street elevation 18076/C103 doesn't appear when you click on it in the documents section of the website entry for the application – a 'File not found' message appears (though 18076/C102 seems fine). Could this be corrected please - I'll attach a further copy of C103 for convenience.
- The affordable housing plan 18076/P106 rev. C is included twice on the ADC website; once in black and white (on p. 2 of the documents for the application on the website) and once in colour (on p. 3). The colour is necessary, so could the black and white one be deleted please.
- Re the landscape drawings, the Landscape General Arrangement 2076-TF-00-00-DR-L-1001 is only in black and white. Could a coloured version be shown please (further copy attached).
- The other landscape drawing - Planting Plan 2076-TF-00-00-DR-L-3001 – is wrongly labelled 2076-TF-00-00-DR-L-1001 rev. B on the website and is again in black and white. Could this be corrected please – copy attached.

Thanks,

Robin.
