Hi Ian,

Just to confirm (in case you are not aware), Martyn White will be attending site with Seaward's David West on the 18th of October to view the brick sample. He will consider the spec at the same time and either agree this then or later.

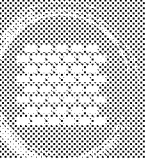

Kind Regards

Dear Simon

By way of update our client will be revealing part of the wall from behind its temporary hoarding next week to clean and demonstrate brick colour to allow for sample matching.

Please see the detail in the bottom left of the attached 0111 P02, which is intended to be the closest match in appearance and brick bond finish. The 1200mm height is accordance with the approved plans.

Please can you confirm the detailing we have so far is acceptable? Details of brick choice will be provided in due course.

With regard to a timeline, due to the arrangements for works alongside the highway, a start is expected Nov/Dec 2023 at the earliest.

Best regards

Ian

Dear Ian,

Following receipt of the dismissed appeal decision today, I write to seek confirmation that the front boundary treatment will now be completed as per the scheme approved under Y/63/19/RES. Can you also indicate a timescale for these works to take place.

Kind Regards
