Dear Sir/Madam,

Fresh Acres Nurseries Walberton Planning Ref: Y/24/20/PL

A planning application has just been submitted via the planning portal, reference PP-08914800.

One attachment in support of the application was too large to upload and is therefore due to be submitted by post.

Under the current circumstances I thought it preferable to send this document by email: please see attached.

If you have any queries in relation to this, please do not hesitate to contact me.

Regards
Richard Vickery
