

Hobbs Court Bat Box

Copy of emails from Hetty Wakeford confirming that 2 No. bat boxes have been put up at the above.

These have been provided to make 'suitable provision for bats' as noted in condition 7

This information is to be read in conjunction with site location plan V1 and bat survey

Both are placed on mature oak trees, facing in a south-facing direction.
For Box 2, this is on a mature oak tree - but the tree is not marked on the site plan
