Dear Thomas,

No real movement. Yours is currently 12th in the priority list but I am afraid that progress is very slow.

Simon.

Dear Simon,

Sorry to chase again – is there any update on this? I am getting pressure from Seaward for an update so any comments or info would be appreciated.

Kind Regards
Tom

Dear Thomas,

I don't know how long they are taking per case but I believe we only have a contract with them for a day a week (though don't quote me on that as this is organised by drainage not planning). I also know that there has been some further delay due to a strategic case being prioritised over the overdue DOCs. Based on the updates I have had, it has taken 3 weeks to get through 2/3 cases (albeit one was the strategic case).

The view I expressed on the deemed discharge came from our Group Head of Planning. Should you wish to challenge this view then you would need to supply us with a legal opinion.

Kind Regards
