Dear Ian,

The re-consultation on Y/129/22/DOC is with Engineers. They were given 14 days from the 27th of March. They are over this period but not significantly. I was advised on 12/04 that this would not be looked at for a while. There are much older cases in the system awaiting responses. I am awaiting initial engineers' advice on Y/17/23/DOC.

Re Y/65/22/DOC – we are still awaiting the details of the Parchow inspections as per your emails of 16/03. Can you indicate when you will be in a position to submit the additional items.

Kind Regards

Hi Simon

Is there any update on the DOC applications relating to the drainage verification reports please?

Kind regards

Ian
