Dear Ian,

The re-consultation on Y/129/22/DOC is with Engineers. It is with one of our consultants and is currently 2nd in their list of 5 cases. Y/17/23/DOC is also with a consultant (but a different one). It is in 5th place out of 6 cases.

Re Y/65/22/DOC – we are still awaiting the details of the Parchow inspections as per your emails of 16/03. Can you indicate when you will be in a position to submit the additional items. I asked you the same question in my email of 21/04.

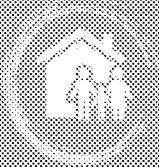

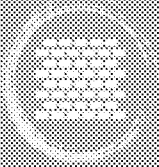

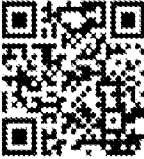

Kind Regards

Dear Ian,

The re-consultation on Y/129/22/DOC is with Engineers. They were given 14 days from the 27th of March. They are over this period but not significantly. I was advised on 12/04 that this would not be looked at for a while. There are much older cases in the system awaiting responses. I am awaiting initial engineers' advice on Y/17/23/DOC.

Re Y/65/22/DOC – we are still awaiting the details of the Parchow inspections as per your emails of 16/03. Can you indicate when you will be in a position to submit the additional items.
