Dear Simon,

Application to discharge conditions 14 & 15 relating to
Y/48/11 - Archaeological

The Lamb Inn Bilsham Road Yapton
Arundel BN18 0JN

Yesterday I received a copy of the archaeological report on the watching brief for the demolition of the former Lamb Inn and the reduction of the foundations (required by planning condition on the above application). This fieldwork and the subsequent report followed on from the separate exercise to record the standing building before demolition and produce a report on that action. I am happy to advise that the archaeological conditions relating to this application can be considered discharged.

Regards,

Mark Taylor
