Dear Fiona

Thank you for the response – I have picked this up from Cian. Can I assume that there hasn't been any complaints regarding noise to date on the basis of your response?

Kind regards,
Peter

Dear Peter,

I am happy with the amended wording of condition 8 as proposed by the applicant in his letter of 31st July 2014. However, should we receive complaints of noise from this site, and determine that these complaints are justified, this Authority will seek to impose the times of the original condition on works, using the Control of Pollution Act 1974 section 60.

Regards

Fiona
