Thank you for the information you have sent following my previous letter. Unfortunately I am still unable to accept the notification as valid until the following matters are resolved:-

Please clarify the height and spread of all trees after the proposed works.

Your application references 2 Sycamore trees under T6. Please amend your sketch map to identify these separately as T6 and T7.

For further guidance, please refer to the list of validation requirements for tree applications on our website: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed.

Please provide the above by **10th December 2025**. If this information is not received by this date, I will close the file as incomplete and where a fee has been paid, will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. Once closed, if you wish to continue you will have to submit a fresh application.

If this letter has crossed with you providing the information, please ignore it.

Yours sincerely
