Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Retrospective application for change of use of land to garden land & erection of workshop/hobbies building & pergola.

17 Canal Road Yapton

Thank you for your internet representation made on 20th March 2020 which has been recorded as '**an objection**' with the comments as follows:

In this situation, I object to this application because Mr & Mrs Watkins are trying to legalise a crime that they did some time ago, such as the illegal seizure the land belonging to the Arun Council which they have now fenced off and placed a pergola on it. The land in question is a parking lot, which according to plan belongs to my building. I refuse to legalise the parking lot illegally occupied by Watkins, because of this situation, as a tenant, I do not have a parking lot. Also, the issues raised in the application, such as that, do not bother or insufficient space to enter the car park - sorry but this is some nonsense. First of all, I do not agree with the shed built 15 meters from my windows and the production of flowers in this shed. Secondly, in my opinion, instead of analysing Watkins request for legalisation permit for a pergola, Watkins should be charged with attempting to deceive a government office such as Arun Council.

Kind regards

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
