For the attention of Mrs D. Johnson ~ Planning Administration

27th August 2019

Dear Sirs

28, Downview Road, Yapton, Nr. Arundel, West Sussex
Proposed Extension
Application No. Y/70/19/HH

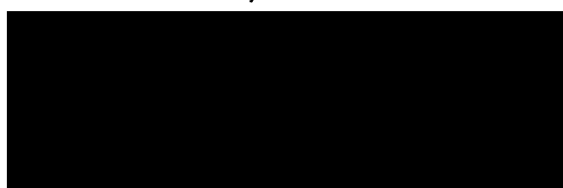

Further to your letter dated 9th August 2019 I would confirm the following points as requested.

- 1) The site address on the application forms is incorrect & should be No.28 Downview Road & not No.38 as detailed on the forms submitted with the original application. I enclose two copies of these amended forms. Therefore the site location & block plans are correct.
- 2) Please find attached two copies of an amended block plan showing dimensions to boundaries as requested.
- 3) In respect of the Lidsey Foul Water Assessment I would confirm that a new foul water drainage connection to the public sewer will not be required as the intention is to connect the new ground floor cloakroom into the existing private foul water drains that serve the existing dwelling.

Please accept my apologies for the confusion regarding the site address.

I remain

Yours Faithfully

C. R. Fish
