Good Morning Simon,

Thank you for your email and for picking up on my error on the Application form - you are correct in saying that this Application is for principle and access only.

We did say to Daun in validation that we weren't entirely happy with the previous description - so please proceed with your suggested updates.

Will this Application be decided by the Planning Committee?

In regards to the additional reports required, please leave that with us and we will get back to you next week with an update once we have spoken to our client.

Kind Regards,

Sarah
