Thank you for your internet representation made on 24th August 2020 which has been recorded as an objection with the comments as follows:

OWPC29206

With one development being built on the other side of the road this one is unnecessary. It will turn comet content into more of a death trap and the car that go up and down Bilsham Road already have enough issues with congestion.

Your views as made above will be considered before the application is determined.

Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification.
