Thank you for your internet representation made on 27th August 2020 which has been recorded as an objection with the comments as follows:

OWPC29288

My initial reaction on seeing this application is one of bewilderment as it would result yet more acres of Arun being built upon.

The scale of this development would result in serious detrimental effects on the locality.

Increased road use will cause increased congestion and danger at the Comet Crossing : Bilsham Road's bends are already dangerous enough.

There is no capacity in local Health Services for a housing development of this size.

Yours faithfully,

W J Rogers
