Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/70/20/OUT
Site Address: Land East of Bilsham Road & land adjacent to Little Meadow Bilsham Road Yapton
Description of works: Outline application with access for 81 No. new dwellings including 18 self-build plots (but retaining Oak Trees & Little Meadow dwellings), 3 No. new light industrial buildings as part of an enlarged employment site, Public Open Space & a new Village Hall. The existing junction of Grevatts Lane West & Bilsham Road will be closed & Grevatts Lane West diverted to a new access point to the South. This application may affect the setting of Grade II Listed Buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 6th September 2020 which has been recorded as an objection with the comments as follows:

OWPC29418

1. Traffic is already heavy at commute hours.
2. 350 homes have already recently been approved just yards up the road meaning there's up to an extra 1000 vehicles on this already busy single carriage way road leading to the A259.
3. The junction from Yapton road to the A259 is already a dangerous junction having numerous collisions there a year. As I write this there was another serious accident there this week.
4. The planned 18 self build dwellings will certainly not be in keeping with the rest of the Victorian cottage look. It's a VERY small plot for 18 dwellings!
5. The proposed access/egress is sited on a dangerous blind bend, where vehicles regularly travel at speeds exceeding 50mph.
6. What are the drainage plans?! Our home is right next to the Ryebank Rife where flooding is already a risk and we are extremely worried that all these extra dwellings will increase that risk.

Your views as made above will be considered before the application is determined.
