Hi Paul,

I don't consider that we will have any objections to the application subject to there not being any objections received. We do have to consult so we have placed site notices (expiring 24-06-21) and have consulted the Parish Council.

The application expiry is the 23rd August 2021 but I will aim to get it written up in July.

Simon.

Simon

I was wondering if you have had an opportunity to review the submission of the Variation of condition application with regard to the change in brick on plots 21-24 at Cinder Nursery (Phase 1).

Are you able to advise how long you anticipate this application taking please as I assume there is not much of consultation for an application like this?

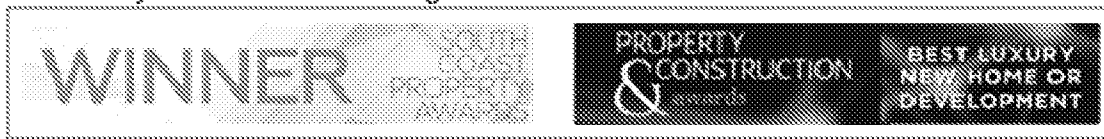

Kind Regards
