

1. This drawing is to be read in conjunction with all other Bright Plan City drawings, and, with all relevant Architects' and Engineer's specifications. Any discrepancies found are to be reported immediately to the Engineer.
2. Bright Plan City accepts no responsibility for inaccuracies in data provided by third parties such as topographic surveys or Ordnance Survey mapping.
3. Do not scale, work to figured dimensions only. All dimensions are in millimetres unless noted otherwise and all levels are in metres from the topographic survey datum.
4. Any information given regarding existing underground services is given in good faith after consultation with the relevant authority, but is not a guarantee. The main contractor is responsible for checking all information on site prior to work commencing and taking due care whilst undertaking the works.
5. All dimensions to be checked on site. All details and dimensions relating to sub-contractors work must be checked and agreed between the sub-contractor or supplier and the general contractor.
6. The electronic information from this drawing can not be guaranteed as dimensionally drawn exact. Figured dimensions may be used for setting out and detailing. Bright Plan City's information must be removed from all copies if information is re-used.
7. Levels are subject to detailed levels and can change by + or - 300mm.
