Dear Kate,

Thanks. That is fine, we will add to the website and then I'll refer to that plan in the condition that requires implementation of the hydrant. No need for any PC conditions.

Hi Simon,

Please find plan attached, let me know if you'd rather I submitted by file transfer?

Any issue and we can accept the pre-commencement condition, keen not to delay a decision.

Many Thanks

Dear Kate,

Your email below referred to the Mains Design drawing for both schemes. I don't have this on my current files (or if I do, its not obvious which drawing it is). Can you provide me with a copy. Without it we would still need the pre-commencement Hydrant condition.

Thanks
