Dear Mr Davis

RE: Land At Little Meadow And East Of Bilsham Road Yapton BN18 0JY

Thank you for your correspondence of the 28th of May 2021, advising me of an Outline application with access for up to 73 No. new dwellings (but retaining Oak Trees & Little Meadow dwellings), 405 sqm of new light industrial buildings as part of an enlarged employment site & Public Open Space. The existing junction of Grevatts Lane West & Bilsham Road will be closed & Grevatts Lane West diverted to a new access point to the South. This application may affect the setting of Grade II Listed Buildings & is a Departure from the Development Plan at the above location, for which you seek advice from a crime prevention viewpoint.

The National Planning Policy Framework demonstrates the government's aim to achieve healthy, inclusive and safe places which are safe and accessible, so that crime and disorder, and the fear of crime, do not undermine the quality of life or community cohesion. With the level of crime and anti-social behaviour in the Arun District being average when compared with the rest of Sussex, I have no major concerns with the proposals, however, additional measures to mitigate against any identified local crime trends and site specific requirements should always be considered.

I have had the opportunity to examine the detail within the application and in an attempt to reduce the opportunity for crime and the fear of crime I offer the following comments from a Secured by Design (SBD) perspective. SBD is owned by the UK Police service and supported by the Home Office and Building Control Departments in England (Part Q Security – Dwellings), that recommends a minimum standard of security using proven, tested and accredited products. Further details can be found at www.securedbydesign.com

Given that this outline application is only to determine the means of access and to seek approval in principle, I have no detailed comment to make at this stage however I would like to take this opportunity to direct the applicant or their agent to our website at www.securedbydesign.com where the SBD Homes 2019 Version 2 document can be found. The Secured by Design scheme is a Police initiative to guide and encourage those engaged within the specification, design and build of new homes, and those undertaking major or minor property refurbishment, to adopt crime prevention measures. The advice given in this guide has been proven to reduce the opportunity for crime and the fear of crime, creating safer, more secure and sustainable environments.

Additionally with regards to the commercial element of this application I direct the applicant or their agent to our website at www.securedbydesign.com where the Secured by Design (SBD) Commercial Development 2015 Version 2 document can be found. This is a comprehensive document that encapsulates both commercial developments where the public have no formal access, e.g. factory or office buildings, and those where public access is integral to the commercial use such as retail premises, leisure centres and public buildings. This document will be able to provide the applicant with in-depth crime prevention advice pertinent to the design and layout.

I thank you for allowing me the opportunity to comment and I look forward to being further consulted at reserved matters, when I would hope to respond in more detail.

I would also ask you to note that Sussex Police is now exploring the impact of growth on the provision of policing infrastructure over the coming years and further comment on this application may be made by our Joint Commercial Planning Manager.

Thank you for giving me an opportunity to comment.

The Crime & Disorder Act 1998 heightens the importance of taking crime prevention into account when planning decisions are made. Section 17 of the Act places a clear duty on both police and local authorities to exercise their various functions with due regard to the likely effect on the prevention of crime and disorder. You are asked to accord due weight to the advice offered in this letter which would demonstrate your authority's commitment to work in partnership and comply with the spirit of The Crime & Disorder Act.

Yours sincerely
