Site Address: Land At Little Meadow And East Of Bilsham Road Yapton BN18 0JY

Description of works: Outline application with access for up to 73 No. new dwellings (but retaining Oak Trees & Little Meadow dwellings), 405 sqm of new light industrial buildings as part of an enlarged employment site & Public Open Space. The existing junction of Grevatts Lane West & Bilsham Road will be closed & Grevatts Lane West diverted to a new access point to the South. This application may affect the setting of Grade II Listed Buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 3rd June 2021 which has been recorded as an objection with the comments as follows:

OWPC37080

Once again I object to this application for a number of reasons. The area around Yapton has already been surrounded by numerous housing developments which will result in an unacceptable increase in local traffic, and even as it stands is already busy. Bilsham Road has already had an increase in traffic resulting in long tailbacks at the A259 junction. The level crossing at Warburton towards the A27 is in a similar state. Adding even more houses is bad enough without the addition of industrial units and the associated traffic. How much farm land is going to be lost with its resulting effect on the wildlife? Lastly how will local facilities, such as Doctors' surgeries, cope as they are already overloaded?

Your views as made above will be considered before the application is determined.
