Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: Y/71/21/OUT

Site Address: Land At Little Meadow And East Of Bilsham Road Yapton BN18 0JY

Description of works: Outline application with access for up to 73 No. new dwellings (but retaining Oak Trees & Little Meadow dwellings), 405 sqm of new light industrial buildings as part of an enlarged employment site & Public Open Space. The existing junction of Grevatts Lane West & Bilsham Road will be closed & Grevatts Lane West diverted to a new access point to the South. This application may affect the setting of Grade II Listed Buildings & is a Departure from the Development Plan.

Thank you for your internet representation made on 29th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37799

It is acknowledged that the proposed number of dwellings have reduced from 81 to 73, however it is considered that this proposal remains an overdevelopment of the land and will cause traffic issues within area. Clymping Parish Council therefore reiterates their previous objection that the site is in open countryside and on agriculture land contrary to the Arun Local Plan policies.

The site is close to a dangerous bend along Bisham Road and then the route leads to the dangerous junction with the A259 (Comet Corner) in one direction and in the other direction takes more traffic through the village of Yapton. Local roads cannot cope with this increase in traffic numbers (both residential & light industrial business vehicles).

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way.
