Dear Kimberley,

This will be a refusal. I am presently working on the report aiming to get it done before next week's determination date. There will be less reasons than previously but I cannot confirm these at this time (except that principle/sustainability will certainly be one of them). I'm afraid that we will not allow the submission of further information at this late stage.

Kind Regards

Hi Simon

I hope you are well.

Just by way of an update, our highways consultant is preparing a response to the Highway Officer's comments, which I have been advised will be available next week.

I understand that the landowner has been in touch directly and you are considering the principle of development. Are you able to provide some feedback, please?

Kind regards

Kimberley
