Hi Simon

I have received this advice internally regards the bus stop improvements, we advised that hardstanding and dropped kerb with tactile should be provided to the existing bus stop and would also advise that realtime information boards are funded.

Katie,

RTPI displays at both the northbound and southbound bus stops at this location would be great.

Regards

Liz

Hi Liz

As part of comments I'm making in respect to a 73 unit residential development, would you like to see realtime info at the existing bus stop below (opposite Grevatts Lane West)
