Hi Simon,

Thank you for your patience on this.

Please see attached for:

- Amended YAP-130-090A (Appendix B) – SW Maintenance Plan – this has been updated to include a key
- Drainage Construction Details – Sheet 1
- Drainage Construction Details – Sheet 2

I hope the above is sufficient to help discharge the condition.

Please let me know if you need anything else.

Thank you and I hope you have a good weekend!

Kind regards,
Lucy

Hi Simon,

I hope you are well and had a good easter break.

Our client is still having issues with getting ahold of their drainage engineer to make the minor adjustments needed. Please could I kindly request a short EOT until the end of next week (17/04) if possible?

Any problems, please let me know.

Thank you!

Kind regards,
Lucy

Hi Simon,

Happy Monday – I hope you had a good weekend.

Apologies to ask again, but please could I request we have a short extension of time given the bank holiday this weekend and school easter holidays. Our client is having difficulties with the engineer and we would be grateful if we could extend the deadline to the 10/04?

Please let me know if the above is acceptable – thank you!

Kind regards,
Lucy

Dear Lucy,

It looks like we are nearly there with this application. I can give you until 03/03 to update the Maintenance Plan to resolve points 2 and 3 in the tracker.

Kind Regards

Simon
