Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: Y/72/20/RES
Site Address: Land at Stakers Farm North End Road Yapton
Description of works: Approval of reserved matters following outline approval Y/44/17/OUT for the erection of 70 No. dwellings, public open space, play area, drainage & landscaping. This application affects the character & appearance of the Main Road/Church Road Yapton Conservation Area & affects the setting of Listed Buildings.

Thank you for your internet representation made on 2nd September 2020 which has been recorded as an objection with the comments as follows:

OWPC29363

We have grave concerns about the relentless development on any green/farming spaces in and around Yapton. The village is losing its rural identity and appeal by degrees, and is not designed for mass influx of houses, people and traffic. When all of the individual planning applications are added up, the numbers are staggering. North End Road is unable to cope with the traffic currently, especially at busy times, and speed is a big issue. The pavements are essentially single file only, which affects safety of parents with children and disabled access. Proposed changes to infrastructure appear to be minimal and are just the usual token offerings by developers.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
