Hi Simon

Thanks for the below.

Happy to agree to an extension of time on the 70 unit scheme (Y/72/20/RES) to 8th January as requested.

If we could please proceed toward determination for the 38 unit scheme, drainage to be subject to an informative (Y/71/20/RES).

Many Thanks

Dear Kate,

I write to request a further extension of time on Y/72/20/RES (Stakers Farm).

You had previously provided amended plans for both applications on 03/11/20. I passed two separate requests to our admin team on 05/11/20 to get them to change the plans/documents on the system. Unfortunately only one of these two requests was initially actioned (Y/71/20/RES on 12/11/20).

I only spotted that this did not happen for Y/72/20/RES until Tuesday. The changes have now been actioned (yesterday) but it means that the 21 day Parish notification for Y/72/20/RES went out late and will

now expire close of play on the 23rd December. As I am out of the office from the 24th to the 4th, we will not be able to issue any decision on this one until early January. Would it therefore be possible to secure an extension of time on Y/72/20/RES (Stakers Farm) until 8th January. If you wish to have both application expire at the same time then I am open to also agreeing the same extension for Y/71/20/RES (School)

Kind Regards

Simon.
