Hi Kate,

Could you provide me with an excel version of your plot information schedule for Stakers Farm (I assume the pdf was printed from a spreadsheet). This will assist me when it comes to writing up that report. I won't add this to the website, just keep it for my own use.

Can you also change the internal floor space figures from square feet to square metres please. I am presently doing the internal space standards for the School site and am converting these as I go but it will certainly save time on the Stakers app if you can do that.

Kind Regards.
