Hi Kate,

This looks fine to me. So is the change just to the footway including the angle of it then? I assumed more changes to layout would be needed but if that's all it is then there won't be any need for additional consultation.

Simon.

Hi Simon

Sorry to chase but have you had chance to review the email below? We can resubmit plans this week if so and proceed to decision?

Kind Regards

Hi Simon,

Screenshot below sets out the proposed amendment to the Bonhams Field link. Are you able to please confirm you're now happy with the layout in principle? I'll amend the plan package & resubmit if so.

Many Thanks

Kate

Hi Simon,

Decision for the 38 unit scheme now received, thank you.

Regards the 70 unit development, Y/72/20/RES, my MD has attempted to make contact with Karl Roberts on two more occasions though has not managed to reach him. Are you able to confirm that the only change to the layout to be requested is in regards to the link to the Bonhams Field? Once confirmed I can instruct the change & submit amended proposals for review.

Many Thanks
