Hi Daniel,

Thanks for the documents which I've now added to the website. I will have a conversation with the Group Head of Planning early next week and then I will be able to advise you.

Kind Regards

Good Morning Simon, I hope you are well.

Following your e-mail, I attach the latest plans from you list – there were a couple of minor updates.

To confirm the FW and SW system will be adopted by ICOSA including the pump stations. All maintenance will be with them.

Are you able to update me on the progress of the decision. I have told the business that we will have a decision by Christmas – I hope that is achievable.

Regards
