Ref: Y/75/17/HH

Dear Miss Garner

Mr A R Simmon

7 Mill View Road

Yapton

30 November 2017

Please find attached additional drawings as requested for the above Planning Application. Enclosed you will find an up dated site plan (x3) indicating location of boundaries adjacent to the first floor development and roof layout plans (x3) of both existing and proposed.

While writing I would confirm that the foul drainage from the new bathroom will be taken into the existing foul drainage system which serves the existing property.

I hope this information is sufficient for you to be able to process this application accordingly.

Yours sincerely
