Kind Regards

Morning, Simon, I hope you had a good weekend?

Further to our recent exchanges of emails below, please find attached the following with regard to the above:

1. Plan ref. 502-03A, which now includes a note in red referring to the works that will be undertaken to locate and protect the Southern Water public sewer at the western end of Cinders Lane during the course of the site's development. I trust this will be sufficient to discharge condition 12 of the site's outline consent ref. Y/5/17/OUT.
2. A revised and updated SuDS Maintenance Manual ref. KNC1826/SUDS-A, to take into account the comments/requests set out in your colleague's email dated 1 November 2019 below. I trust this will be sufficient to discharge condition 15 of the site's outline consent ref. Y/5/17/OUT.

Finally, you were going to write confirming the discharge of condition 30 (energy efficiency) attached to the site's outline consent ref. Y/5/17/OUT but I haven't received this confirmation as yet. I'd be grateful if this matter could be dealt with as soon as possible and look forward to hearing from you in this regard.

Otherwise, please contact me if you have any queries with the attached.

Regards,
