Further to your recent e-mail to Matthew Utting, who is away on leave at the moment, please find attached an updated SuDS Maintenance Manual which incorporates information to residents should the maintenance company be unable to fulfil its duties.

I trust this will be sufficiently robust to enable your engineering colleague to confirm with you that Condition 15 can now be discharged.

Many thanks

Regards

Dear Matthew,

I have had further advice from our engineer re condition 15 to say that:

“I have had a look at the SuDS Operations and Maintenance Manual. I think we’re nearly there. The only thing which is not clear (and is stated in the original condition) is “arrangements made in the event that the management company (or any subsequent management company) is no longer able to fulfil its duties”.”

Please consider this and respond with an amended document.

Kind Regards
