Dear Mr Flynn

I am writing to object against of Lawful business Certificate which is a application of Mr Hanley my objection is that the property is for ~~social~~ social living & not for use as business only as Mr Hanley doesn't live at 16 bilsham Court he resides at No 18 with his partner as done for nearly two years as we are aware, but other residents have told us he hasn't live at No 16 for many years, & also he has approach us about sound proofing & wanted us to pay half towards it, so he is aware of the noise he is making between him & his staff he has one member of staff every day when he is working & on occasions he has two staff but in the last week he had staff two days & he is working himself the rest of the week & also all Saturday & part of the day Sunday today he has two Staff working

Yours Sincerely

P A Wenborn
