Dear Mr Ellwood,

Application Reference Y/77/08/CLE

I am in receipt of your letter of 11th December 2008 regarding the required fee to process the above Application.

I would advise that I am currently in the process of obtaining the required location and floor plans in order to complete my application.

Whilst I accept there will be a payment due your clarification that this one off fee will permit continued indefinite use, as over the past 12 year or more, would be appreciated.

Yours sincerely

Dennis Hamley
