Dear Mr Giles

I have reloaded the Planning statement, the Design and Access statement, the tree survey and the 5 ecology documents. I am unable to load the other documents as they contain emails/telephone numbers/signatures.

Your two statements do contain phone numbers but I understand you have authorised for these to be published.

Yours sincerely

Nicola Spencer

Hi Daun,

I can see that the original documents have not yet been uploaded to the Register, could you kindly indicate when that will happen? We are concerned that the consultation is running yet some of the documents are still showing as corrupted.

Best wishes
Gareth

Mr Giles,

I will need to upload this email to our website.

Would you like me to redact your contact details, which we always do because of GDPR, which appear at the bottom of this email?

Thank you,
Mrs Johnson

Subject: Y/77/19/OUT - GDPR-free documents

Hi Planning / Nicola,

We are the agents for the above application and would like to request the following documents be re-loaded in their original, colour format as they are free from GDPR issues as follows – and the current altered documents to be removed.

We confirm agreement for our own two documents to be published in full (without redaction of telephone numbers, emails or other contact information):

- Planning Statement
- Design and Access Statement

The following third party documents were submitted without contact details displayed to avoid your GDPR software so we also request that those be re-loaded in their original format.

- Flood Risk Assessment
- Tree Survey
- Landscape Appraisal
- Noise Assessment
- Ecology Documents x 5

Could you please confirm safe receipt and indicate when the replacement documents may be available online?

Best wishes
Gareth
