Dear Gareth,

Please see comment below from our Environmental Health Officer. Are you able to provide this additional information?

Kind Regards

Simon J Davis MRTPI | Principal Planning Officer, Planning Department, Directorate of Place, [Arun District Council](#) |

Dear Simon,

The acoustic report submitted with this application refers to long term monitoring from 08.35 on a Friday morning until 06.00 on a Monday morning. I am concerned therefore that the main weekday traffic noise has been omitted from any assessment. Please could the applicant carry out further noise monitoring to ensure that the acoustic results that they are relying on are representative of the full week.

Regards

Fiona
