Dear G Giles,

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5
CIL Regulations 2010 (As amended)

Application for Outline Planning Permission

Development: Application for Outline Planning Permission for erection of ten dwellings with access from Hoe Lane. Resubmission of Y/20/18/OUT - This is a Departure from the Development Plan
Location: Land South Of Hoe Lane Flansham PO22 8NP

I refer to the above application currently undetermined.

This letter is to inform you that the Council adopted the Arun Community Infrastructure Levy (CIL) Charging Schedule on 15 January 2020 and agreed that it would come into effect on 1 April 2020.

I am writing to inform you that if this application is determined after 1 April 2020 (including the completion of a signed S106, if required) CIL will be applicable to this development.

If it is likely that your application will not be determined until after this date, it is advisable that you familiarise yourself with the CIL charging process and submit Form 1: CIL Additional Information to your case officer, in the first instance.

Please be aware that failure to submit the correct CIL forms for a CIL liable development will result in additional charges, as set out in the CIL Regulations 2010 (as amended).

For further information, please refer to the following information sources:

Please do not hesitate to contact the case officer on the above matter if you have any questions or queries. Or contact the CIL Officer: cil@arun.gov.uk
