Dear Gareth,

Thank you for your email. Most of the office is now WFH and we are only now accepting online applications, reps etc.

I am afraid that we cannot accept such a significant alteration to the application at this stage and you will instead need to withdraw the current application and submit a new outline.

Please note that I have agreed this position with my team leader.

Kind Regards

Dear Simon,

I hope you are keeping well during the current national situation.

The applicant has amended the proposed site plan (and description of development) for the live planning application Y/77/19/OUT. I have attached an amended plan (17-071-003-G) and covering letter for your kind attention.

The applicant also agrees to an Extension of Time to 30th April 2020 to allow for the amended plan to be consulted upon with neighbours and consultees.

Best wishes
Gareth
