Hi Amber

I have recently sent my planning services response to the ADC planning inbox in relation to the above application. I should also have added the below informative to my response, if you could ensure that this is added to the decision notice, if approved:

Vehicular Crossover – Minor Highway Works

The applicant is advised that in addition to obtaining planning permission that they must also obtain formal approval from the highway authority to carry out the site access works on the public highway. The granting of planning permission does not guarantee that a vehicle crossover licence shall be granted. Additional information about the licence application process can be found at the following web page:

Online applications can be made at the link below, alternatively please call 01243 642105.

Many thanks

Nicola
